## DEMAND PLANNING INTERN Riga

SYOSS

IGORA  
THE COLOR OF IMAGINATION

Henkel operates worldwide with leading innovations, brands & technologies in three business areas: Adhesive Technologies, Beauty Care and Laundry & Home Care. Schwarzkopf Professional is part of the Henkel Beauty Care business unit based in Hamburg. It is one of the leading product suppliers to the international hairdressing industry. Schwarzkopf Professional is present in over 100 countries and works with more than 230,000 salons. Our Beauty Care team is looking for a Demand Planning Intern to join them.

### Your main responsibilities:

- Forecasting and planning product demand
- Analyzing and reporting
- Invoicing in SAP system

### We offer you an opportunity to:

- Challenge yourself in an international organization
- Develop your professional skills
- Work with supportive colleagues
- Study and work at the same time

### You are a perfect candidate when:

- You have or soon will have a university degree
- You are a highly-organized person
- You are open-minded and ready for challenges
- You are an advanced Excel user
- You have excellent communication skills in English and good skills in Russian

Please send your motivational letter and CV in English with the title "Demand planning" to [personal@henkel.com](mailto:personal@henkel.com)

**Deadline: 13<sup>th</sup> of October, 2017**
