

KYC Specialist

SEB Global Services

with experience in finance,
insurance or legal field

About position:

- You will be working with Know Your Customer (KYC) and Customer Due Diligence (CDD) processes and ensuring AML requirements are met
- You will analyse and review the regulatory information on SEB Group's clients worldwide

We are offering:

- Job in an international environment with global customers and English as a working language
- Opportunity to actively be involved in optimization and improving of the processes
- Competitive remuneration package

Your profile:

- We are looking for a quick-minded, intelligent, analytical and friendly colleague
- Relevant work experience in finance, insurance or legal environment
- Understanding KYC regulatory requirements will be a plus

Take the opportunity to create a future for yourself!
